

Hebrews 1:

Summarize Hebrews chapter 1 in one or two sentences:

Evidences of the Sonship and Deity of Jesus (Verses 2 and 3)

What is Jesus called in John 1? How are we told that God created the world in Genesis 1?

What is the significance of Jesus having “sat down” at the right hand of God? (Verse 3)

Why does the Hebrew writer convey the superiority of Jesus’ name to the angels?

Was Jesus created? What does it mean that He was “begotten of God”? In what sense is Jesus “the Son of God” if not by nature (created)?

What is eventually going to happen to this earth?

What is the significance of the “right hand” in scripture? Where are some instances where we see the right hand’s prominence? (Verse 13)

Are angels still ministering today? If not, why not? If yes, how might they be ministering? (Verse 14)

What practical application can be gained from Hebrews 1?
